

Conversation with a two-year old

- Used mostly nouns - slide, balloon, juice
- Short, choppy sentences
- Too generally identifies things (ie. punch = lemonade)
- Starts to understand questions
- Starts to respond to questions
- limited vocabulary
- huge desire to explore
- some memories of objects (balloons)
- very easily distracted
- small sentences
- mood changes rapidly
- cooperates best with family
- cooperates well with strangers
